

ABOUT US

SRTP HANDLER PVT. LTD. is a next-generation logistics and freight management company delivering integrated supply chain solutions across global trade routes.

With deep industry expertise and strong liner partnerships, we specialize in designing cost-efficient and reliable logistics solutions tailored to client-specific requirements like Freight Forwarding, Custom Clearance, NVOCC and other value added services.

Our focus is not just movement of cargo - but optimizing the entire logistics lifecycle.

WHY CLIENTS CHOOSE SRTP

- Cost Leadership: Strategic rate sourcing via direct liner relationships
- Execution Reliability: Strong operational control from origin to delivery
- Customized Solutions: Tailored freight planning (not one-size-fits-all)
- Network Strength: Presence across key trade lanes (Gulf, Far East, etc.)
- End-to-End Ownership: Single point accountability

OUR USP

- Reduced logistics costs
- Improved transit reliability
- Enhanced shipment visibility
- Optimized supply chain planning
- Reduced operational risks
